# Broadband Check-in

“The Internet is a great way to get on the  
net” – Bob Dole

# The Challenge

# Broadband **Wireless** Defined

A vertical bar on the left side of the slide, consisting of a small red square at the top, a small grey square, a small blue square, and a long red rectangle extending downwards.

# Broadband Check-in Progression

- Plan
- Implement
- Evaluate

“For which of you, intending to build a tower, does not sit down and count the cost” – Luke 14:28

A vertical barcode is located on the left side of the slide.

# Plan

- Select Broadband Provider
    - Coverage
    - Network Type
    - Try Before You Buy
  - Test Check-in Process
    - Edit Household
    - Add New Household
- 
- A vertical bar on the left side of the slide, composed of several colored segments: a small red segment at the top, a grey segment, a blue segment, and a long red segment at the bottom.

# Plan

- Order Check-in Hardware
    - Kiosks
    - Labels
    - Visitor/Feedback Cards
  - Check-in Hardware Storage
  - Recruit Volunteers
    - Check-in Workers
    - Greeters
- 

# Implement

- Broadband Setup
- Check-in Locations
  - First Time Visitors
  - Volunteers
- Kiosk Setup
  - Check-in Code
  - Visitor/Feedback Cards
  - Trash Receptacles

# Evaluate

- Broadband Connection
- Check-in Locations
  - Internet Speed
  - Traffic Flow
- Visitor/Feedback Cards
- How Can I Improve the Process

## Other Thoughts

- Do NOT Use Internet Connection Sharing
- Broadband Wireless Routers
  - Hardwire When Possible
- Consider External Antennas If Necessary
- Results May Vary
